

WELCOME

Welcome to Learning Inc.'s very first student planned and written newsletter for Learning Inc. Our vision for this newsletter is to spread good news, boost morale and give our students a positive space where they can express what is on THEIR minds with uplifting feature stories. Kudos to our amazing students who stepped up to the plate to get this first issue out!!

This Weeks Columnists

"HIGHLIGHTS" by Briannah Byrd includes the top stories shared by our teachers and administration about our students.

NEWSLETTER

HIGHLIGHTS by Briannah Byrd

Bryannah interviewed our teachers and administrators about the highlights of the past week. Here's what she found out.

Mr. Billy – 4 out of 7 kids got 90% on their math quizzes.

Mr. Barnes – His class learned about the music of Latin America by listening and evaluating Latin American music.

Ms. Michelle –English 9 - Got a 90% or better on their tests. Students enjoyed an open discussion about Shakespeare and the various types of plays. It was "extremely engaging".

Ms. Sandra – Used Tic/Tac/Toe to review facts learned about the blood which helped prepare them for the chapter test.

Ms Cofield – Almost everyone in passed the quiz.

Ms. Bridgette– Students made a "human brain box" and identified lobes of the brain and their functions. 9th grade conducted an experiment on matter. Helped students start the school newspaper.

Mr. Mason – The after school program did mock job interviews with community business leaders.

WHO YOU GOT?! By Michael Berry and Eric Harris

Ravens vs. Texans

Michael - Ravens are going to bring this one home. They have more talent, better running game and passing game, great defense.

Eric - Texans are very talented, good wide receivers, good defense, good offensive line which allows them to run the ball with more efficiency.

Saints vs. 49'ers

Michael - 49'er's Have a great running game, passing game. They can switch audibles, great defense and they are usually the first to get the 1st down.

Eric - Saints have a lot of experience, good passing game, an amazing offensive line, Drew Brees very talented at the position of quarterback because he can make any type of throw, awesome receivers such as Devery Henderson.

Giants vs. Packers

Michael and Eric- Giants- Better passing game, running game, left end Justin Tuck and right end Osi Umenyora. Giants want retribution for their 1st loss against the Packers.

Bronco's vs. Patriots

Michael - Bronco's Tim Tebow 1st year starting and great quarterback, good running game, decent passing game.

Eric - The Patriots' Tom Brady has more experience than both teams. He is a great quarterback. Brady knows how to lead his team to victory and how to make an amazing pass when needed.

HIS SIDE/HER SIDE by Grant Lewis and Taysha Jackson

How do you deal with rumors?

Her Side - If it is indirect (twitter, FB or any other type of social media) just don't comment. If it is direct, talk to the person in person in private AFTER class and get an adult to mediate.

His Side - Confront the person in a calm respectful way in private with an adult mediator who can rationally hear both sides.

Eton's Playlist

- 1) Bottom's Up - Trey Songz
- 2) Speechless - Ciara
- 3) Dance for You - Beyonce

Ms. Judy's Corner

Parents - Please continue to remind your children about keeping their hands to themselves in school and speaking respectfully to their friends and adults.

Visits- we had some terrific surprise visits this week from former students who are doing well and looking at getting their GEDs or better jobs and in one case college.

Joey's Bistro

Sausage Gravy and Pancake (serves 5 - 8)

Ingredients: Jimmy Dean hot sausages, ½ cup of heavy cream, ¾ cup 2 % milk, 2 tbs. butter, pancake mix (eyeball all ingredients)

Direction: Make pancake mix as directed on box. Fry sausage in pan then put it in another pot with milk, cream and butter. Bring to a boil. Then smother over pancakes.
